NOTICE TO THE MARKET

ITAÚSA AND ITAÚ UNIBANCO INCLUDED AGAIN IN THE DOW JONES SUSTAINABILITY WORLD INDEX 2021/2022 (DJSI WORLD)

ITAÚSA S.A. ("Itaúsa" or "Company") announces to its stockholders and the market in general that it has been selected for the 18th time to compose the Dow Jones Sustainability World Index (DJSI World) in its 2021/2022 edition. Itaú Unibanco, a company invested by Itaúsa, is the only Latin American bank to be part of this index continuously since its creation in 1999.

DJSI World comprises companies that are global leaders in sustainability, representing 10% of the 2,500 largest companies of the S&P Global BMI index with the best rating in economic, environmental and social factors. The new portfolio includes 325 companies from 31 countries from the Americas, Europe, Asia, Africa and Oceania, representing 25 economic segments. Of these companies, only 9 are Brazilian.

Itaúsa and Itaú Unibanco, in this edition, obtained the best rating, in the respective segments in which they operate, in the Customer Relationship Management, Environmental and Social Reporting, Human Capital Development, Financial Inclusion and Human Rights categories. In addition, both were selected to be part of the Dow Jones Sustainability Emerging Markets Index portfolio.

Participation in DJSI World reflects Itaúsa and Itaú Unibanco's long-term commitments to ethical business conduct, transparency and the constant improvement of its sustainable performance.
